EXPERIENCE:

San Jose Sharks, San Jose, CA

Deputy General Counsel, June 2025-Present

- Advise SSE on a wide range of legal and compliance matters, including commercial operations, marketing, promotions, broadcasting, IT, international operations, arena operations, hockey operations, public relations, litigation, workers' compensation, intellectual property, and employment law.
- Draft, review, and negotiate a wide variety of commercial agreements, including those related to sponsorships, licensing, broadcasting, employment, independent contractors, vendor relationships, construction, and technology. Spearheaded negotiations regarding renovations within SAP Center.
- Collaborate with hockey operations to ensure compliance with NHL regulations and collective bargaining standards.

FuboTV, New York, NY

Director of Legal & Business Affairs, October 2024-June 2025

- Lead lawyer managing content licensing and distribution matters, including advising on deal structure and strategy, drafting documents, and negotiating all phases of transactions with major network partners, studios, independent content distributors, sports leagues and FAST channels, including both domestic and international partners.
- Supported production of original content, including negotiation of talent, release and clearance agreements.

Pac-12 Conference, San Francisco, CA

Senior Counsel, Legal and Business Affairs, August 2019-September 2024

- Promoted three times during tenure. Served as the #2 attorney to General Counsel for final year.
- Expansive role, including business affairs, corporate governance, IP maintenance, litigation management, and strategic support for athletic compliance, tv distribution, sales, engineering and leadership teams.
- Broad transactional experience and served as the lead negotiator for all layers of Pac-12 commercial business, including content distribution, sponsorship, venue agreements, brand partnerships, advertising insertions, marketing activations, and technology vendor partnerships.
- Representative Matters:
 - o Managed portfolio of Pac-12 Networks content distribution portfolio worth hundreds of millions in annual revenue (including cable, satellite, OTT, AVOD). Ensured distribution of 850+ live events, managed audit process, litigation disputes stemming from COVID disruptions, and annual compliance certifications to all partners.
 - o Negotiated Pac-2" media rights package with CW and Fox, affiliate agreements for "Pac-2" to play against Mountain West and West Coast Conference. and extended Pac-12 Bowl Agreements.
 - o Secured venue agreements to host Pac-12 championship games at Allegiant Stadium, T-Mobile Arena, and Michelob Ultra.
 - o Sponsorship Agreements (Paycor, Nextiva, Gatorade, Nike, Pacific Premier Bank), aimed at maximizing value for our 12 member schools and developing strategic brand relationships.
 - o Spearheaded innovation with brand and platform partnerships to expand Pac-12 revenue profile, including data rights partnership with Tempus Ex, NFT partnership with Recur, NIL highlight licensing with Veritone, and launch and carriage of Pac-12 Insider (24x7 AVOD) product.
 - o Negotiated a 15-year naming rights partnership on behalf of Arizona State University's athletic department. At the time of the deal it stood as the most valuable naming rights deal in all of college sports.

OTHER EXPERIENCE(S):

I have held the following internships: Pac- 12 Conference (Spring 2019), Kobe Bryant Inc. (Winter 2018), Berkeley Athletic Compliance Department (Fall 2018), Screen Actors Guild (Summer 2018), Baker Botts LLP (Summer 2017), and Qualcomm Inc. I have recently served as a guest lecturer, moderator and panelist at Berkeley, Hastings, Davis, Pepperdine, and Santa Clara University. I also continue to use my engineering degree, and have built multiple AI tools applicable to the practice of sports law.
